Hi Andrew

Thank you. I have asked for the draft paper re comments on DRP from Nick and Colin to be given to me as early as possible on Thursday and would appreciate if you would review from a factual and legal perspective, with any comments/adjustments being advised by Tuesday am if this is at all possible to reflect these before Marshall requires to provide this to Tom Aitchison Tuesday pm. As soon as I have this I will forward to you and there may be additional matters arising when I receive it where I would appreciate your input. Following a meeting we had today I am expecting this to be fairly factual re current situation and looking forward but important is robust.

Thanks
Gill
