All noted. Resln 4 important to bring DPOFA into the Tram Act family, as it were, because DPOFA was entered into by tie during the Bills passage.

Checking on NR letter.

Kind regards

I am just waiting on colleagues confirming your revisals. Subject to them I am happy except I wish to leave rec 10.2 as drafted so as not to limit. I am also asking Colin to consider the new resln 4 and Nick the minor operating agreement changes. Thanks for the letter. Do you know if letter of comfort from Network Rail is here.

Gill
