Transport, Infrastructure and Environment Committee  
 Action Sheet  
 27 July 2010

Agenda Item No	Subject and Source	Decision <i>(This decision may not be the final minute wording)</i>	For Action By	For Info	Further Approval/ Consideration <i>(where indicated)</i>
8.10	<b><u>Ship to Ship Transfers of Oil in the Forth - Motion by Councillor Burgess</u></b>	1) Committee notes the submission of comments to the previous consultation in which "The City of Edinburgh reaffirms its opposition to ship-to-ship oil transfer in the Firth of Forth. This Council's opposition is based on increased risk of pollution and the potential for serious consequences for the Firth of Forth should any spill occur. This position is shared and supported by neighbouring Local Authorities who bound the Forth estuary."	Director of Services for Communities		

Transport, Infrastructure and Environment Committee  
Action Sheet  
27 July 2010

<b>Agenda Item No</b>	<b>Subject and Source</b>	<b>Decision</b> <i>(This decision may not be the final minute wording)</i>	<b>For Action By</b>	<b>For Info</b>	<b>Further Approval/ Consideration</b> <i>(where indicated)</i>
		2) Committee notes that the legislation which was subsequently passed did not provide for the option of simply banning all ship-to-ship transfers within harbour authority waters or restricting oil transfers to designated harbour areas only and urges the Minister to include such a provision in respect of the Firth of Forth in any revision to the Act.

34	<b><u>Report - Objections to the Old Dalkeith Road Bus Priority and Cycle Proposals</u></b>	Recommendations approved	Director of City Development		
35	<b><u>Report - Traffic Calming Consultation, Dean Park, Balerno, Viewcraig, North Fort Street &amp; Coates Area</u></b>	1) Committee agrees to the recommendations in the report but asks Council officers to discuss the guidance pertaining to what physical traffic calming measures are required for 20 mph zones with Scottish Government officials.	Director of City Development		

Transport, Infrastructure and Environment Committee  
Action Sheet  
27 July 2010

		<p>2) That the Convener write to the Transport Minister asking the Minister to consider:</p> <ul style="list-style-type: none"><li>a) relaxing the guidance on 20 mph limits such that larger areas may be allowable; and</li><li>b) relaxing the guidance for 20 mph zones such that more discretion may be allowed as to where physical traffic calming measures are needed.</li></ul>			
--	--	--	--	--	--

		<p>3) Should the outcome of the discussions with officials or correspondence with the Minister referred to above provide the opportunity to introduce 20 mph zones without the implementation of all the physical measures currently required, Committee further agrees to delegate to officers in regard to Dean Park Balerno, Viewcraig, North Fort Street and the Coates area, in consultation with the Convener and relevant ward Councillors, modifications to the plans to ensure best use of the Council resources available while still addressing scheme objectives.</p>
