STRICTLY PRIVATE AND COMMERCIALY CONFIDENTIAL AND FOISA EXEMPT

Please read over the weekend and add any colour/detail you can.

This document will most likely never see the light of day, but is my script for the very many private briefings I am now giving to protect tie's reputation.

I appreciate this contains some confidential and sensitive info, and please highlight any bits you are really worried about.

It is important that this document is kept 'simple', but accurate.

Andrew, as our lawyer, I expect this to make you very nervous!, sorry, but comments appreciated anyway.
