Bob  
With one week to go we do not have an instruction to carry out the works -  
this is also a very high priority for Monday, so we can report to our  
masters that we have resolved that particular issue.

Jim,

With one week to go we are still outstanding the following from yourselves:-

- 1) Work Package Plan for Site Set-Up and Construction
- 2) Detailed two week lookahead (by day) programme for site set-up and construction works.
- 3) Detailed lookahead programme (by hour) for next week-end closure activities.
- 4) Resource Plan showing staffing levels on site for first two weeks.
- 5) Confirmation that programme for next week will recover slippage incurred this week by increased, resourcing and weekend working.

Can you ensure we have all of these by Monday lunch-time to enable discussion at Monday afternoon's Princes Street progress meeting,

Regards,

Bob.
