Subject: MUDFA Works

Sent on behalf of Willie Gallagher

I took the opportunity to walk down to the Leith offices today through the road works. I would like to compliment both of you on the professional management and delivery of the various sections. In particular I was impressed by the overall diligence of the workforce and also by the compliance to our safety and environmental policies.

Neither of you probably appreciate the scale of change that has taken place over the last couple of months being so close to the project and it is very pleasing from my perspective to see these changes.

Let's keep it going.

Regards

Willie
