Subject: RE: ETN, Infraco Contract

Gents,

Thanks for the discussion today. I am pleased that we all remain committed to the project. Listening is a fundamental skill in life and I both heard and understand the points you make. It is no bad thing to draw breath, refocus, resolve and then direct the lawyers.

I intend to get more involved personally over the next few weeks, give me a call at anytime if you have issues or concerns which you feel the tie team do not understand.

Willie

Willie,

Please find attached a letter from the Directors following our meeting earlier this afternoon.

Scott
