Ailsa / Bruce,

Re: BBS's first query (overall number 0216)

I think the e-mail below that I sent previously is the one that they refer to. Although the time is of Roland Halliday's e-mail differs by 6 minutes, it is the only one we've had from him.

 Help to save paper - do you need to print this email?

Did you know Trams help create a cleaner environment for the future. Trams are electrically powered so there are no on street emissions!

Hi All,

I have received the e-mail below and attachment from one of the Infraco Bidders.

I've asked Val will look into what was sent etc.

If there are any issues arising out of this can we please review at our meeting on Monday?

Thanks

Dear Mr Dawson

On behalf of Mr Scott McFadzen (Project Director) please find attached a Word file detailing the inconsistencies we have so far found, within the supplied Edinburgh Tram tender documents, relating to tender drawings.

The inconsistencies are between :

1. The Hard Copy set 2. The electronic CD set 3. The drawing list attached with the documents and 4. The Employers Requirements.

Trusting this is of assistance to you.

Best Regards

For and on behalf of Scott McFadzen
