Subject: RE: Final Settlement Proposal

Martin,

Thanks for your note of last Friday.

I have discussed your proposal with the team here and I'm afraid that we do not believe that the proposals you have made represent enough of a shift in your position to warrant further consideration at this point.

I appreciate the effort you have made in producing this proposal and I and my team remain available to discuss each of the issues or any other aspect of the project.

Regards

Richard

Subject: Final Settlement Proposal

Richard,

thanks for the good meeting yesterday. As you stated, you appreciate this step from our side and will take it under serious consideration. We will remain available for any further discussions if you wish to discuss the proposal any further.

Attached find the Final Settlement Proposal as promised during the meeting in electronic form.
