Richard mentioned that the finance detail may be taken off-line. I don't think this will change the front slides though

Alan, Donald,

Please find attached the Finance slides for our 9.45am Monday meeting. Apologies for not getting these out to you earlier on, but there were a number of late changes and I wanted to ensure that you had the final versions.

Alan,

Can you please forward a copy onto Alastair MacLean.

Have a good weekend.

Thank you

Regards,

Gregor
