I assume they will put it down to re-designing the piles which we will challenge.

Bob / Michael,
FYI.

Do we know why they are not starting for another 6 weeks?

Brian,

We have reviewed the traffic management at South Gyle Access Bridge in light of MUDFA's imminent completion and the late re-design of the structure. We will not be commencing work in this area for circa 6 weeks and would ask what the view is on this being the case.

What is the current MUDFA forecast completion?
How long could the TM be left in place with no work ongoing?

Regards,
