I spoke to Jess last week and agreed that no reply need actually be issued to this. We will, however, need to take account of points in this when communicating the final outcome of Ministers' deliberations.

Jess has asked that I forward the attached on to you for response, grateful if you could co-ordinate and issue.

While I'm emailing, Mr Stevenson is due to meet with Neil Renilson next Tuesday to follow up a telephone discussion they had on Earl Alternatives towards the end of last week. We have yet to establish if the Minister requires official support, but he will definitely need some sort of briefing in advance. Is this something you will be able to provide?

Many thanks
