Fiona – further to earlier discussions, I have attached a copy of the Schedule 4 files which we worked on yesterday. The password to open the file is “J084tiemudfa”. There were basically three main Option scenarios which we looked at. The first sheet summarises all three. The next three sheets (titled Option 1, 2, 3) set out the different scenarios. Dennis is aware of the contents and detail within same but if you need to discuss anything please feel free to call.

Kind regards

Robert

(PS: I apologise for the delay in sending these but the traffic coming back to Glasgow was heavier than expected)
