D1	Traction Power - Ingliston Park & Ride Substation									
D1(1)1	11kv Feeders									
001	11 KV Feeders (incoming supply voltage) from Scottish Power.	nr							£0.00	
002	Incoming circuits and switch panels	nr							£0.00	
003	Feeder Circuits and Circuit breakers	nr							£0.00	
D1(2)	Substation Equipment									
001	Transformer - rectifiers 11kv ac/750 V dc 1200kW	nr							£0.00	
002	Rectifier Circuit Breakers	nr							£0.00	
003	Feeder Circuit Breakers	nr							£0.00	
004	750V dc feeder surge arresters	nr							£0.00	
005	Negative Busbar	nr							£0.00	
006	Batteries/chargers	nr							£0.00	
007	Control & Instrumentation	Item							£0.00	
008	Stray Current Monitoring Equipment	Item							£0.00	
009	Earthing & Bonding.	Item							£0.00	
D1(3)	CABLING									
001	750V dc cabling Rectifiers to Switchgear positive cables (quad 400mm2)	item							£0.00	
D1 - Ingliston Park & Ride Substation - Page 1										£0.00

D1	Traction Power				
D1(4)	Traction Power Parallel Feeder Cable				
	Parallel Feeder Cable laid in ducts, UTX's and/or URX's complete - includes cable, terminations, jointing and connections. Ducting measured separately.				
001	Sub-Section 2A	m		£0.00	
002	Sub-Section 5A	m		£0.00	
003	Sub-Section 5B	m		£0.00	
004	Sub-Section 5C	m		£0.00	
005	Sub-Section 6	m		£0.00	
006	Sub-Section 7A	m		£0.00	
007	Testing and commissioning	sum		£0.00	
	Contractor's Other Charges				
	The Contractor has entered hereunder any specific item of work or obligation or service or any other thing which is necessary for the execution of the Works, as required by the Contract, which has been omitted from or has not been separately itemised elsewhere within the Pricing Schedule and for which a separate charge is required. The Contractor shall insert hereinafter such additional items and pages as he deems necessary and include same on the Collection Summary Sheets
