COMMERCIALY CONFIDENTIAL

Duncan / Rebecca,

Attached is the draft report copied from the **tie** Extranet yesterday and with Miriam and my own comments added to Lex's.

It seems to me that we might want to have a step back and have an open discussion re what we're trying to say with this report. Duncan – we have diary time tomorrow at 08:30 with Susan and Steven and we might talk about this then.

Regards,

Stewart
