Subject: project resolution board paper

Tomorrow I will be issuing to the board a draft version of the project resolution paper. I will send you a copy.

I aim to issue a final version on the 22nd December, so if you have any comments by 5pm on 20th that would be appreciated.

The board is not making any major decision on the back of this report, but ratifying the decision it has already made to enter into mediation.

Tony, thanks for your input to date.

I appreciate it is a lengthy document, and that you would not necessarily write it like this yourself, but I would be happy if you could comment on high level matters or those that issues that you think are plain wrong, or could be damaging to us.

Thanks

Regards

Richard
