

## Brandon Nolan

Partner

T: +44 ( [REDACTED]  
M: +44 [REDACTED]  
E: brandon.nolan@pinsentmasons.com

Brandon is a Partner in the Construction Advisory & Disputes group. He has been involved in all aspects of construction law including contract drafting, appointment documentation, leading on major projects, consultancy, advisory, and disputes work in the construction, engineering, oil and gas and energy sectors.

**Litigation** - Brandon has acted in proceedings in all the main UK Courts including the Supreme Court.

**Arbitration** - Brandon has substantial arbitration experience and has conducted the advocacy in a number of major arbitrations. Brandon is a co-author of the Chartered Institute of Arbitrators Scottish Short Form Arbitration Rules 2012 for use in conjunction with the Arbitration (Scotland) Act 2010.

**Other Dispute Resolution Techniques** - Since the inception of statutory adjudication Brandon has been involved in various capacities in this area including acting as an adjudicator. Brandon is also extensively involved in alternative dispute resolution techniques such as mediation and expert determination.

**Risk Advisory and Strategic Advisory Work** - Risk and strategic advisory work forms a significant part of Brandon's practice as well as forensic investigation work.

**Projects** - Brandon has led on the delivery of various infrastructure projects in the UK from Skye Bridge to the initial PFI path finder projects such as the A69 DBFO roads project as well as PFI projects in other sectors such as hospitals and schools.
