Colin

Regarding your e-mail this afternoon - Richie sent you the report on Tuesday as I mentioned at the Design & Consents meeting - see below.

Summary numbers on the legacy element are:

our report builds a case for SW paying CEC £1.2M
SW believe that CEC owe them £3M
the budget assumes that CEC will pay SW £0.7M
at the last meeting we suggested that both parties walk away with no payment - this would obviously mean CEC were £0.7M to the good as far as the overall budget was concerned
Resource costs from September 2011 are not contained in the above - we have advised SW of the civils completion dates for each section therefore its a case of agreeing resource to complete
