Alasdair,

Further to your request for us to prepare papers I attach herewith the following "draft papers" for your consideration.

- SW close out report
- Appendix A-M

As discussed at the CICM meeting on Monday these have not been through any legal review and we would recommend a legal review is carried out by CEC prior to the papers being issued to Scottish Water to ensure CEC is satisfied that the papers represent the direction and instruction given by CEC on the various matters and confirm acceptance with the potential outcomes.

We look forward to receipt of your comments ahead of issue to SW.

Regards

Andy Scott
