Keith – further to our discussions earlier, I have attached a copy of our initial report (from September 2009) and some other subsequent notes issued to **tie** re the above. Hopefully this will give you a bit more background to this.

Documents attached as follows:

1. File Ref. J084-405 Initial Draft report issued in September 2009;
2. File Ref. J084-407 (September 2009) Summary of '1' above;
3. File Ref. J084-409 Brief explanation of key factors affecting CUS disruption claim model (I understand that this was passed to CUS on 9 October 2009 – see **tie** letter ref. PD CORR 225);
4. File Ref. J084-411 Initial conclusions arising from analysis of disruption in Section 1C-03-01 during January & February 2009;
5. File Ref. J084-407 (March 2010) Note on CUS claim as it stood in March 2010 (by reference to the CUS claim submission of 21 December 2009).
6. Email of 3/09/10: I have also attached a copy of our email from Friday afternoon outlining certain issues (particularly in relation to the current plant claims).

I'll continue to look through our email correspondence and forward any other notes/documents which I think you might find of use.

Regards

Robert
