**Attachments:** J086-812W Ver05 FINAL Report on concurrency exercise 2010-06-25.pdf

Susan / Tom / Fiona – please find attached a final copy of the concurrency report. This incorporates all relevant comments and further data received just prior to, during and after the meetings held with yourselves on 3 & 8 June 2010. The final conclusions in respect of Sectional Completion Date C also reflect the additional detail and conclusions arising from the mitigation exercise on the Rev.3 Issue 3 programme.

Would you mind letting me know if you require paper copies of the attached (and if so, how many copies you require)? We can have same prepared and delivered as required.

Kind regards

Robert
