Subject: Schedule 4 - Pricing Assumption 4

All,

As you will remember the commercial intent behind pricing assumption 4 was to recognise the difference between the Infraco programme and the Design Delivery Programme which SDS will be signing up to in their agreement. A Notified Departure will occur if the two programme are not the same (e.g. a Notified Departure will occur immediately on the contracts being signed)

To correctly capture the commercial intent of pricing assumption 4 we require it to be amended to read:

"That the Design Delivery Programme in the SDS Agreement is the same as the programme set out in Schedule Part 10 (Programme)"

Kind Regards
