Geoff

Please find attached Schedule 4 incorporating comments from Siemens.

I am not sure how it is proposed to advance discussions in relation to this Schedule and perhaps you could let me know.

Geoff

Please find attached our mark-up of Schedule 4 which is issued subject to client instructions in order to keep things moving.

I do understand that the VE Schedules may not be in the "agreed" form but that should be simply a question of substituting the correct version.

We can wait for a meeting as you suggest but I suspect we could make useful progress when you have had a chance to consider the attached mark-up and I think there are a number of mechanical issues that the lawyers need to assist on to make this schedule work with the remainder of the documentation.

Have a good weekend.

Subject: Schedule 4 - Pricing

Scott / Michael,

Attached is our updated 'travelling draft' of Schedule 4 which follows the same format as sent to you in January but now incorporates some of the points raised in your Schedule 4 Pricing Assumptions document sent under cover of Scott's e-mail dated 4th February 2008 that have been discussed at subsequent meetings.

As you'll see there are still a number of notes in red that need to be addressed, largely by BBS.

I think we need to resolve practical issues between ourselves before you involve your lawyers this time.

Please can you review so that we can have a meeting later this week to discuss?

Thanks

Regards
