Mark,

As request I attach my initial draft of the above that I sent to Geoff and Stewart on Sunday.

This incorporated the figures from the "Wiesbaden Deal" that Geoff sent me on Wednesday 9th January 2008

As you'll there are a number of things that I don't know the background to and I have made a few comments in red.

I am updating this just now and will gladly explain what else I've learnt following your retraction of your earlier hurtful statement!!!

Regards
