Gents ,

It has been brought to my attention this week by CAF and Infraco that there is an emerging issue regarding the IDC certification process .

From the conversations with the parties so far , my early thoughts are that this issue may be as a result of previous arrangements not having caught up with the way that we have successfully worked together since Mar hall .

Notwithstanding I request that we meet at 11am Tuesday 22nd November at Waverley Court , to formally discuss the issue .

I ask that you send to me by noon Monday 21st , copied to the other side copies of relevant correspondence , minutes of idc meetings etc that you hold .

I consider this issue to be a project threat and do require your urgent attention to my request .

I am on leave today , however I can be contacted on my mobile phone . Please confirm your agreement to my requests .

Regards
Colin
