For the attention of Steven Bell – Tram Project Director

Dear Sirs,

Edinburgh Tram Network Infraco
Infraco Contract – Infraco Notification of tie Change (INTC) No 429
MUDFA Programme – Revision 08

In accordance with the requirements of Clause 3.4 of Schedule Part 4 to the Infraco Contract we confirm that we have identified a Notified Departure which is a Mandatory tie Change.

The issue by tie of the MUDFA Programme at revision 8 under cover of its letter dated 30 April 2009, reference INF CORR 1371/FMcF, provides the Infraco with access dates which are at variance with Pricing Assumptions 3.4.24 (diversion of any utilities) and 3.4.32 (Schedule Part 15 (Programme) programming assumptions).

Accordingly, the Notified Departure mechanism set out in Schedule Part 4 at Clauses 3.2.1 applies.

Yours faithfully,

[REDACTED]
M Foerder
Project Director
