Martin,

Thank you for your response.

Based on your assessment (in particular your view on PA12, PA14 and the planning drawings) it would appear that agreement is very unlikely to be possible.
However, tie and BSC will have to consider what actions are now required.

We can discuss matters at 11am tomorrow.

Steven, Dennis,

we reviewed Michael's spreadsheet in detail and are not able to share tie's position on the majority of the items. Our assessment identifies a Nil for the items PA 12, 14 and Planning drawings and an amount below 2 Mio in regards to the adaption of principles from the PSSA.
Have a nice Sunday and let's discuss at our meeting on Monday at 11:00.

Cheers

Martin
