Dear Martin,

**Edinburgh Tram Network – Infraco
Access to BIW Document Control System**

Following recent discussions between Messrs Rotthaus/Glazebrook, please arrange to give tie access to the "Documents" area of your BIW system. The purpose is to enable us to work more effectively with you on progress towards compilation of the Health & Safety File, the risk mitigation Evidence File and also the contractual requirement for the Technical Library.

Yours sincerely

Steven Bell
Project Director – Edinburgh Tram
