Subject: Draft peer review team, DRP Report
Attachments: EDINBURGH TRAM DRP Review 140309.doc

Stewart,

Please find our draft report as promised. It is still a draft to enable you to make any comments on the factual matrix we have set out or for us to make any enhancements or amendments you think would be necessary in the event you wish to circulate this beyond the limited circulation set out above.

If you wished to discuss this with a member of the team in person, Willie would be able to meet with you this week and I could join him on Thursday afternoon or Friday morning if required.

Please let me know if there are any matters you do not think we have covered sufficiently relative to the terms of reference given the documentation we have seen and the responses to the queries we have raised.

Kind regards

Mike
For Peer review Team.
