Dear Ailsa

Preliminary Design Process

The tie letter ref. 40.11.04 dated 8th September 2006, indicates that tie has re-prioritised the Preliminary Design Process. This is not in accordance with the Agreement between tie and SDS.

The SDS Preliminary Design was submitted on 30th June 2006. The agreed review response period, in accordance with our Agreement, ended on 28th July 2006. No formal response comments were received from tie by this date.

Any late review comments which result in the re-working of documentation will have a disruptive effect on the delivery of our main programmed works.

We will mobilise extra staff to prepare additional Preliminary Design documentation upon the receipt of a formal change instruction.

Yours faithfully

David Hutchison
